

Nyloplast® Universal Inline Drain

Engineered for custom connection **off the shelf.**

The unique patented design of our newest solution for managing stormwater intake offers high-performance and maximum flexibility when compared to more traditional alternatives.

Nyloplast Universal Inline Drain comes out on top compared to traditional inlets made from concrete.

- Watertight joint connections
- 4x faster installation
- Connects easily to HDPE & PVC pipes
- No added grout to messy adhesives
- Field adjusted with common tools
- 100-year service life on PVC
